In this issue of the *Mississippi Strong* newsletter you will find: membership information; the final EANGUS Auxiliary scholarship reminder; seasonal highlights; and much more. Also printed below is the resignation letter of President Angie Carnes. Please do continue to remember to pray for Angie and her family; she continues to deal with health issues and now the deployment of many in her immediate family.

Please send any information for the newsletter to Vivian via email at [vivtay7@aol.com](mailto:vivtay7@aol.com). Remember to buy your tickets for the MS Auxiliary drawing (see bottom of this page & page 14). Thanks, y'all!

I would like to start out by saying thank you all for your support during my two years as your MS National Guard NCO Association Auxiliary President. It is with regret that at this time I must tender my resignation. This decision has been a hard one and is based on my on-going health issues and the deployments directly affecting my family.

Please know how much being your president the last two years has meant to me. I look forward to continuing to support the MS NG NCO Association and Auxiliary as these organizations support the men and women of the MS National Guard and their families, that are so dear to my heart.

God bless you,

Angelia H. Carnes

During a recent password audit, the security team discovered a Marine had used the following password: MickeyMinniePlutoHueyDeweyLouieDonaldGoofyOlympia. When asked why he had such a long password, he replied: "I was told it had to be eight characters and at least one capitol."

The U.S. Department of Defense (DoD) wants to restrict Veterans from transferring their Post-9/11 GI Bill benefits to their families. Join us in helping Congress protect Veterans' rights!

## Answer The Call

### HELP PROTECT OUR RIGHT TO TRANSFER THE POST 9/11 GI BILL

The Department of Defense has indicated they wish to further limit and deny service members and veterans the right to transfer their education benefits to their families. The Post 9/11 GI Bill Transferability Entitlement Act (TEA Act) in the Senate and House has been introduced as a response to DoD's intention to limit education benefits, and will ensure that transferring education benefits becomes an entitlement for all military families. Please join us by reaching out to your Senator and member of Congress to vocalize your support for S. 2327 and HR. 5522, the Post 9/11 GI Bill Transferability Entitlement Act (TEA Act).

Letter (*Please add your own story about this issue to personalize your message*)

The Department of Defense has indicated they wish to further limit and deny service-members and veterans the right to transfer their education benefits to their families. The Post 9/11 GI Bill Transferability Entitlement Act (TEA Act) in the Senate and House has been introduced as a response to DoD's intention to limit education benefits, and will ensure that transferring education benefits becomes an entitlement for all military families.

I believe military families should have the ability to use their earned benefits as they see best, and I no longer want to see military families denied the benefits they were promised. I encourage you to support the TEA Act and fulfill your promise to protect veterans and their families.

### **CHECK EANGUS—LEGISLATIVE ACTION CENTER—FOR CALL TO SUPPORT S.3731 & H.R. 6967**

#### *Support Our National Guard Act*

EANGUS members, please contact your Congressional delegations and ask for co-sponsorship of H.R. 6967 and S. 3713. These bills would require the Secretary of Defense to provide to certain members of the National Guard serving on active service in response to the coronavirus (COVID-19) the transitional health benefits provided to members of the Reserve Component separating from active duty. Representatives Joe Cunningham and Steven Palazzo introduced H.R. 6967 the, "Support our National Guard Act" to provide members of the National Guardsmen and their families with six months of TRICARE medical coverage following federal Title 32 active duty statuses. Senators Joe Manchin and Joni Ernst introduced its counterpart language, S. 3713.

*"Our National Guard men and women have been called upon, once again, by the nation's leadership to help combat the novel coronavirus pandemic in America. The risks are great; so are the hazards. By definition, Hazardous Duty Incentive Pay is a monetary incentive for volunteers who perform hazardous duty based upon the inherent dangers of that duty and the risks of physical injury. EANGUS agrees with Senator Joni Ernst that the duty our National Guard members are performing embodies that risk, and should receive Hazardous Duty Incentive Pay for COVID-19 response duty," said Sergeant Major (retired) Frank Yoakum, Executive Director of the Enlisted Association of the National Guard of the United States.*

**PLEASE REMEMBER TO LET MS AUXILIARY LEGISLATIVE CHAIRMAN VIVIAN TAYLOR KNOW WHEN YOU HAVE RESPONDED TO CALLS TO ACTION AND WHEN YOU RECEIVE RESPONSES FROM LEGISLATORS. THANKS!!!**

**Fun Facts**

The landing craft boats used in Normandy were originally designed for use in Louisiana swamps.

*Lumber businessman and former Nebraska National Guard Infantry Officer Andrew Higgins designed a shallow draft boat and continued to improve the design over the next few decades. After several unsuccessful years of trying to sell his boats, he finally landed a contract with the U.S. Government which purchased more than 20,000 of the Land Craft Vehicle Personnel ships. General Dwight Eisenhower called Higgins “the man who won the war for us...if Higgins had not designed and built those LCVPs (Landing Craft, Vehicle, Personnel), we never could have landed over an open beach.*
