

15 July, 2020

Dear Corporate Partners:

As many of you know the Army National Guard (ARNG) will be conducting their National Best Warrior Competition in July of this year. Many of you have expressed interest in supporting this competition. I am writing this letter to give you the points of contact as well as some details on the competition.

This year's event will be hosted by the Mississippi Army National Guard and held at various locations in Mississippi. Our NCO Association will sponsor the competition and facilitate other partner's sponsorship of the event. As always your support is welcomed and our professional association will be glad to accept that support. As in the past there will be an opening and closing ceremony at Camp Shelby, MS. I have provided a map and a listing of events, event locations, and times for your use. In partnership with you we hope to enhance the ARNG's competition and make it a great event that brings together industry, corporate partners, and military leaders from across the ARNG formation.

We will coordinate support in several ways. First- those interested can support the entire event or specific portions of the competition. You can also provide gear for the competitors to wear during the execution or provide gear in the form of gifts to be presented during the awards ceremony. I have attached a chart that list the events and location. If you would like to support the entire competition you can simply go to our web site and select a level of support. The link is below. If you would like to provide gear for use during the execution or as a prize for winning a specific event I would suggest you call me to discuss in detail before returning the support sheet.

<https://msncoa.org/wp-content/uploads/sites/9/2020/07/Levels-of-Partnership.pdf>

The point of contact is Tommy L. Morgan, (o) 601-313-6376, (c) 601-850-6235.

Sincerely,

Tommy L. Morgan Jr.  
Mississippi NCO Association  
President

**\*\* Listed below you will find the events we believe our corporate partners may wish to support. An example of providing equipment for an event and supporting a**

**specific event would be the Stress Shoot. If we had one eye protection partner that wished to support that event. We would provide signage during the event and allow those competitors that wished to wear their eye pro to do so. If we had more than one partner that wished to support and they had the same type equipment, we would give the competitors the choice to pick the eye pro they wanted to wear. The corporate partner could then recognize the winner with a gift of eye pro or gift all the competitors. We are open to discuss the different type of scenarios with you.**

**Simply place your name in the event you wish to support.**

### **Camp Shelby, MS**

Overall Competition:
