Call to Conference

Hi everyone!

This is your official Call to Conference for the Mississippi National Guard Noncommissioned Officers Association/Auxiliary Conference to be held March 24-27, 2022 at The Refuge Hotel and Conference Center in Flowood, Mississippi.

If you are attending this conference for the first time, we want to welcome you. We are excited to bring back our Silent Auction this year. This is your Auxiliary's Ways and Means project and every year it just gets better and better. Not only do we encourage you to shop but we also encourage you to bring items. We "senior members" think of State Conference as a family reunion—a time to reconnect with old friends and welcome new friends into this wonderful organization. I hope you will take advantage of every opportunity on this weekend to make those long-lasting relationships.

The registration form, as well as the bowling, fishing, and golfing registration forms are located on the MS NCOA website, www.msncoa.org, under the Conference tab. A new thing this year is a beer/donut run to be held on Friday afternoon.

I also want to encourage you to attend our Auxiliary General Session on Saturday morning. We meet with the Association for opening ceremonies and then break for our business session. We will elect a new Auxiliary President and I would love to see a large presence to welcome our new President and show our support.

The Auxiliary's motto is *Side by Side We Stand with Pride* and your Auxiliary has stood side by side the Association for 52 years. Looking back at past conference programs it is not difficult to get nostalgic seeing the Auxiliary Past Presidents who paved our way. Those Past Presidents who did not have all the conveniences that we enjoy now...such as email. They did not have VoterVoice to contact our elected officials and they did not have any other way to send the newsletter other than good old-fashioned printing, stamping and mailing, all done by hand.

It has been my honor and privilege to serve as your Auxiliary President this past year and as we look to the future I have no doubt that we will continue to make strides in both membership and participation.

Once again, if this is your first time to attend we look forward to meeting you. If you are a returning friend we certainly look forward to seeing you. If you have any questions or concerns please don't hesitate to contact me at nonnie3626@gmail.com.

Bost Urges DoD to Clarify Shifting Policy Impacting GI Bill Eligibility

Rep. Mike Bost (R-IL.), the Ranking Member of the House Committee on Veterans' Affairs, released the following statement after sending a letter to Secretary of Defense, Lloyd J. Austin III, regarding National Guard Members' eligibility for GI Bill benefits following the Biden Administration's recent termination of the national emergency declaration at the southern border.

"The Biden Administration's decision to reverse the emergency declaration at the southern border risks national security. It also risks the education of thousands of members of the National Guard who are still deployed there," said Ranking Member Bost. "Secretary Austin must immediately tell us whether those serving at the border since January 20th are receiving the same credit toward the GI Bill that they were on January 19th. Their service has not changed. Their benefits should not change either. The National Guard has stepped up in extraordinary ways over the last year. They have left their families and lives behind to serve on federal duty at the border, in DC, and elsewhere. Every single one of them should receive full GI Bill credit for their service. I stand ready to work with the Secretary to make sure they get exactly that."

The status of servicemembers of the National Guard currently serving at the southern border includes end strength and the statutory authority for their service. Rep. Bost asked for clarification on whether the rescission of Presidential Proclamation 9844 eliminates the ability for members of the National Guard currently serving on the southern border to continue to receive credit towards Post-9/11 GI Bill benefits and, if so, how that is being communicated to them.

As EANGUS members know, we are continually pushing for our well-deserved benefits. We will continue to monitor this situation and ensure everyone is receiving updated information. We will be assisting Rep. Bost with any follow on legislation he feels is needed.

The Legislative Committee Chairman reported activity to the EANGUS Area IV Auxiliary Legislative Point of Contact with courtesy copies to the EANGUS Auxiliary Officers. Mississippi Auxiliary Secretary Vivian Taylor nominated EANGUS Area IV Auxiliary Director Judith Putman for the 2020 EANGUS “Pen Is Mightier Than the Musket Award” and Judith was the recipient of that award. Since the EANGUS Conference had been cancelled in 2020 it had been anticipated that the award would be presented at the EANGUS Area IV Mid-Winter Caucus. Since that meeting was held only by Zoom the award was presented to Judith at the 2021 EANGUS Auxiliary Conference.

Fun Facts

Army Private James S. Bumgarner's sense of smell saved the day during the Korean War

James Garner started his Army career in the California National Guard before joining the Regular Army during the Korean War. He served with the 5th Regimental Combat Team in combat where he was wounded twice and awarded two Purple Hearts. In his

2011 memoir, *The Garner Files*, he wrote: *Army chow was bearable as long as I could keep the onions and garlic out of it. I cannot stand onions and I'm very sensitive to garlic. I can taste tiny amounts of it, like when they've cooked another dish with garlic before and don't wash the pan. If I get even a hint of it, I might throw up in my plate. This violent aversion may have saved my life: like our South Korean allies, the Chinese and North Korean troops lived on a diet of fish heads, rice, and garlic. One night while on guard on the line, I caught a faint whiff of it coming from the direction of the enemy positions. I couldn't see anything, but I knew there was someone out there and they were coming closer. Once I sniffed them I could hear them, too. It turned out to be a patrol heading straight for our position. They were just the other side of a rise when I passed the word down the line. We were ready for them and stopped them in their tracks. He was wounded in that exchange and received his first Purple Heart. His second Purple Heart was received for being wounded during a friendly fire incident where a strafing fighter hit him in the buttocks. "I got it in the backside. I went into a foxhole headfirst and I was a little late. There's a lot of room for error with a wound in the rear. It's a wide target."*
